1. About this document

The GMP+ Feed Certification scheme 2020 has a different structure compared to the GMP+ Feed Certification scheme 2010. Although the requirements have not significantly changed, they are now included in different chapters. This document can support you in finding the requirements in the GMP+ FC scheme 2020.

For an overview of the changes in requirements for GMP+ certified companies and Certification Bodies, see S9.93 - *Transition certified companies - list of changes* and the S9.94 - *Transition Certification Bodies - List of changes*.
