\* Location can be selected by the certification body (min. 8 – max. 20 participants per group. One group per day). The certification body has to select a date in the week offered for the examination. Or the exam can be done from any location by an individual participant (max. 50 individual participants per day).

**Each GMP+ exam on location (GMP+ physical surveillance) starts at 09:00am and finishes at the latest 16:00pm local time.**

It is advised to be there 30 min before the start of the exam.

### Conditions for the translation of exams

GMP+ International will implement the following conditions for translation fees regarding exams.

GMP+ International will make the following distinction:

- In principle, the exams will be taken in 3 languages: Dutch, German or English. In all situations there are no translation fees applicable for these languages.
- The certification body may request the exams in the additional languages, French, Spanish and Polish as from **June 2020**. The exams of these additional languages are free of charge. However, if a GMP+ auditor chooses to answer the exams questions in one of these languages GMP+ International will pass the translation fees of the answers to the involved certification body (Dutch, German and English excluded).

GMP+ International BV shall not be responsible for incorrect translation of the exams into any language other than Dutch, German and English.
