# Welcome

This Feed Certification scheme document helps you to provide feed safety worldwide. By meeting the requirements set by GMP+ International together with our GMP+ Community, we aim to help you get the feed certification you need. Please read the information in this document carefully.

*Let's make this work together!*

## 1. About this document

The GMP+ Feed Certification scheme 2020 has a different structure compared to the GMP+ Feed Certification scheme 2010. Although the requirements have not significantly changed, they are now included in different chapters. This document can support you in finding the requirements in the GMP+ FC scheme 2020.

For an overview of the changes in requirements for GMP+ certified companies and Certification Bodies, see [S9.93 - Transition certified companies - list of changes](#) and the [S9.94 - Transition Certification Bodies - List of changes](#).
